Everyone has the ability to find their way home - you just need wisdom, compassion, courage and authenticity.

Kylie speaks from the heart and is passionate about enabling others to shine and live a fulfilled life. Her own experiences and journey should be shared and shared often to encourage others to live the life they want.

You will be engaged, entertained and empowered by her performance.

Speaking Topics...

- **Giving yourself permission to pursue the life you want**

- **Living an aligned life, how to work it out**

- **The power of taking action, not just being inspired**

Kylie has an inspiring story to tell about trying something new and making positive changes to her life to find herself.

Gordon Luckman - Co-organiser, TEDxHobart

Kylie speaks from the heart and is passionate about enabling others to shine and live a fulfilled life. Her own experiences and journey should be shared and shared often to encourage others to live the life they want.
